

Guaranteed Asset Protection

Mind the GAP.

As soon as you drive your new (or new-to-you) car or truck off the lot, its value will depreciate. That's most often the reality. And, if your vehicle is stolen, damaged beyond repair or totaled, you are still liable to pay the difference. This difference, or the "gap" between your insurer's settlement and your loan balance, will come out of your pocket for a vehicle that no longer exists.

Guaranteed Asset Protection* or "GAP" can save you thousands. GAP is automotive coverage that pays the potentially high-cost difference between your insurance settlement and your loan balance on items directly related to the purchase of your vehicle.

For just a few dollars a month, GAP can save you from making loan payments on a vehicle that is beyond repair, stolen or totaled.

You can sign up for GAP when you apply for your vehicle loan. There's no underwriting, no red tape and no hassles. And, for your convenience, the amount can be rolled into your monthly loan payment.

GAP is fully refundable if you cancel the coverage within the first 60 days. Protect your family, your car and your credit rating with GAP automotive coverage. Contact us for a quote.
