\* Qualifications are based on an "OR" relationship meaning that if you meet one of the criteria, you will qualify for that tier. You will be placed in the highest tier that you qualify for. Your tier level will be based on your qualifications from the prior month. Members with delinquent loans more than 30 days will be placed into the Basic tier. Excluded from Relationship Rewards: NJ Consumer Checking Accounts, Business Accounts, Children ages 0-17 if not part of a combined HH, Estate, Trust, RPA and Custodial Accounts. Combined balances are calculated by adding end-of-month balances in your CU of NJ Checking, Savings, Money Markets, Certificates, Loans and Credit Card limit(s) in any one given member account. Investment, Mortgage and Student Loan balances are excluded from combined balances. To opt-in to combining your entire household balance, you must complete a Householding Consent Form.

\*\* Monthly debit purchase transactions are calculated on when they post to the account, not when the transaction actually occurs. This will include all transactions that post from the first of the month until the last day of the month. Transactions are counted based on the total debit purchase transactions on each checking account separately, not based on the combined transaction on multiple checking accounts in a household. If multiple checking accounts exist in a household, then the checking account with the highest transactions will be counted to determine tier level.

\*\*\* Annual Check Printing is effective January through December. Must order with a CU of NJ Representative. Selected styles only.

\*\*\*\* Maximum discount for consumer loans is 0.25% off (Platinum Plus tier) and 0.50% combined with other programs. Subject to credit approval. First mortgages, second mortgages (including Home Equity Loans and Lines), student loans, lifestyle loans, personal lines of credit and credit cards are excluded from this discount.
