Savings

Credit Unions call savings accounts “Share” accounts because your account represents your share of ownership in the Credit Union. Open your Share Account with just a \$5 deposit, and that establishes your membership in Credit Union of New Jersey.

- 24/7 account access through Mobile and e-Banking and a nationwide fee-free ATM Network
- Earn dividends on your balance
- Keep just \$100 in the account to avoid a monthly fee, if you have no other services with CU of NJ

Student Checking

Open your first checking account with the Credit Union of New Jersey.

- Available to members ages 13 to 18
- Free MasterCard® Debit Card/ATM Card
- Free Mobile and e-Banking
- No Monthly Fee

Debit Cards

You'll receive a free MasterCard® Debit Card when you open your Student Checking Account. A debit card is like a credit card in that it's a safe, secure way to make purchases and to withdraw money from your account. But, remember. You have to have enough money in your account to cover that purchase or ATM cash withdrawal so you don't overdraw your account and get charged what are called “insufficient funds fees.”

e-Statements

Instead of mailing you a paper account statement each month, we'll send you an Email letting you know your statement is ready. Then, all you have to do is login to the CU of NJ Mobile App or your e-Banking account to review it.
